

Financial Aid Appeals

Financial aid applications are submitted in February and awards are sent out in April. If a change in your family's financial circumstances occurs after you have filed with TADS, you may qualify for an appeal. Some of the common appeal reasons include job loss, salary reduction, divorce or unexpected medical expenses.

Appeals can be submitted any time during the summer or school year. Appeals are intended to increase a family's total financial aid award package, not to clear past debt. If your student's tuition account is in arrears, you will not be considered for an appeal until arrangements have been made with the business office.

Families who did not originally qualify or apply for financial aid are still eligible for appealing. If your family did not originally apply for financial aid, an application must be submitted along with the appeal form. To complete the financial aid application, go to www.tuitionaid.com.

To submit an appeal, please complete the following form and submit it to the financial aid office. If you have questions about whether your family might qualify for an appeal, or about the appeal process please contact Financial Aid at 612-798-2615

Please mail, fax or email the documents to:

Please call or email with any questions you may have, 612-798-2615 or via email at financialaid@ahastars.org.

Please note that by filing an appeal, your family is **not guaranteed** to receive additional financial aid.
