

The Holy Angels Annual Report

Now...a time of opportunity

by Tom Shipley, AHA President

Academy of Holy Angels has a rich tradition of service to students and families in the Twin Cities area. Ever since our founding in 1877 by the Sisters of St. Joseph, the school has committed itself to excellence in education and service and to our legacy and mission as a Catholic institution. Throughout its history the school has been dedicated to preserving its past, providing for the present and planning for the future. It has achieved that by embracing new challenges and adapting to change all while remaining steadfast to its mission. Now Holy Angels prepares to meet the new challenges brought forth by months of planning and input from many of you on important initiatives necessary for the school to sustain itself as an educational leader. The next five years will be critical for our high school. We have the opportunity to build on its already strong reputation by means of our new capital campaign, "Our Call: To Lead and Serve." The campaign *Case for Support* identifies the major areas of emphasis and those initiatives critical to our future. I invite each and every one of you to give prayerful consideration to how you might assist Holy Angels in our effort to transform our tomorrows and lives of each student we teach in the days ahead.

Support our Annual Fund

At Holy Angels, our mission is to make STARS who then go out and make a difference in the world. We provide our students with great college preparation, daily faith formation and service opportunities, a rich activities program, all within a warm, supportive community environment.

To fund our mission, we need your help! Annual gifts are critical, because they collectively support nearly 20 percent of our programs. **Plus annual gifts help fund scholarship and financial aid for more than 250 students!**

Every gift, no matter the amount, helps our students become STARS. **Last year, more than 2,000 AHA community members, and more than 1,000 AHA alumni, made a gift to support our students. This year, our targets are 2,400 overall donors and 1,200 alumni donors.** So please give today!

To learn more about the AHA Annual Fund, go to academyofholyanimals.org/giving and click **Give to AHA**. To learn more about providing annual scholarship support for our students, click **Annual Student Scholarships**.

Flaherty Family Foundation: helping AHA open doors

Holy Angels has established an incredible partnership with the Flaherty Family Foundation (FFF) to help provide scholarship funds to high-potential students with economic need from the

Twin Cities. In 2015-16 the FFF provided partial scholarships to 12 AHA students. This year the FFF will provide a partial scholarship to 31 AHA students!

The Flaherty Family Foundation works in conjunction with area grade school principals and admissions officers to identify 8th graders who fit their specific profile. Once a student applies,

is interviewed and is accepted as a Flaherty Scholar, the Foundation commits to paying a portion of the tuition to AHA for that student. The scholar's parents have a set amount of tuition that they contribute (based upon their income level) and AHA raises funds from donors to assist with the difference.

There are several unique features about the Flaherty Scholarship. First is the Foundation's dedication and generosity towards families and students who would not be able to access a Catholic secondary education without significant financial generosity. Second is that the FFF carefully monitors the academic progress of each scholar and personally holds them accountable to a very high standard. Third, the FFF is aimed at supporting these students in high school, through college and beyond.

Together, AHA and the Flaherty Family Foundation are opening doors and changing lives! If you are interested in supporting an AHA Flaherty Scholar, please contact Jesse Foley at jfoley@ahastars.org.

Thank you, President's Star Council members

The President's Star Council is composed of members who make yearly gifts of \$500 or more. We thank them for their support. Members for fiscal year 2015-16 are:
