

Converting your myAHA login to Blackbaud ID (with invitation)

For assistance, please contact us at helpdesk@ahastars.org or 612-798-2647 during school hours.

STEP 1: Accept the Connect invitation

You will receive an email invitation with the subject "Connect to Academy of Holy Angels". Click on the Accept Invitation button to open the Sign up page.

STEP 2: Create your Blackbaud ID account

On the Sign Up page, **do not edit or change your email address**. If you prefer to use a different email, please contact helpdesk@ahastars.org.

Option 1: Complete the form by entering a password and your first and last names. Your password should be a unique password that you do not use for other accounts/websites. Once you've entered the required information, select Sign up.

Option 2: If you wish to use a Google account for authentication (a @gmail.com email is not required), select the Sign up with Google button. If you select this option, you will sign in using credentials managed in Google and Step 3 to confirm your Blackbaud ID account is not required. Skip to Step 4.

Hello

Academy of Holy Angels is ready for you to log in via Blackbaud Services to myAHA using this email address as your username.

If you are a current AHA parent and have already been logging in with a username and password, this is a new method being rolled out by myAHA's software provider, Blackbaud.

With this invitation, you will create and use a Blackbaud ID to connect with Academy of Holy Angels.

If your email is a Google Account, you can now use "Log in with Google" to eliminate the need for a password, if you choose.

If you have any difficulties logging in, please email helpdesk@ahastars.org.
