

# Class of 2019 Senior Graduation Posters

Academy of Holy Angels has a long-standing tradition of celebrating each senior by displaying a poster of each student. The poster usually captures favorite memories from childhood, school days and family times in a collage format.

This year the posters will be on display at the reception following the Baccalaureate Mass on Wednesday, May 29, 2019. Posters can be taken home that night after the Baccalaureate reception.

- Poster dimensions are approximately 20 x 30 inches and should be of portrait orientation. Meaning, short side on the top & bottom. This will help with hanging all of the posters.
- Posters need to be laminated. Please do NOT use heavy poster board because they will not stay on the wall. Lighter weight poster paper can be found at numerous stores.
- The student's first and last name should be on the back of the poster and can also be included in the design on the front.

Total Office Products is offering an AHA special this year to help us senior parents with making the poster. For only \$22 per poster, they will print and laminate your finished product. Simply email them your completed poster and they will take care of the rest. Templates are located on their website. Total Office Products will do design work for an extra fee. Email or call for details.

Please place your order by Wednesday, May 15th!!

Total Office Products will store all completed posters and delivered them to school on Friday, May 24th.
